

**A REPORT ON DENGUE AWARENESS RALLY ORGANISED BY THE  
DEPARTMENT OF EDUCATION, IIS (deemed to be UNIVERSITY),  
JAIPUR**

A dengue awareness rally was organised by the department of education on 9<sup>th</sup> October, 2018 by the students of B.A. B.Ed. and B.Sc. B.Ed. students of odd semester. Dengue is the fastest spreading vector-borne disease in the world. The students and faculty of the department of education worked hard with the aim of combating this deadly disease and also discussed the early symptoms of dengue – headache, pain in the eyes, rashes/ red spot, high fever and joint and muscle pain. The students were motivated and encouraged by the faculty of the department. The students vociferated slogans and distributed information to the people and acquainted them about the symptoms, preventive and remedial measures of dengue; thereby encouraging the other students to spread awareness among the masses.
